Liberal Democrats Cllr Joanne Gardner, Alderman Howard Henshaw, Cllr Karen Henshaw JP, and our Candidate for Kilgrimol, Christine Marshall

My name is Christine Marshall and I am standing as your Liberal Democrat candidate for Kilgrimol ward in this Fylde Borough Council By-Election.

I live locally, went to Queen Mary's school, and was a teacher at the local High school for 28 years.

I have always been civic and community minded and am a member of many local organisations. I was the Chair of the local Civic Society last year and have been an active member for some time organising the monthly Speaker meetings and other events.

"I will take on your problems, make them my own, and fight for a resolution"

I am standing for election as I feel there is a need for more alternative voices on the Council. I will be joining a lively team of Liberal Democrats and Independent colleagues who are standing up and speaking out on issues that affect their local areas.

The whole purpose of being a local councillor is to represent the residents you serve. My promise to you is that I will take on your problems, make them my own, and fight for a resolution.

Use your vote to get a better deal for our area

COMMUNITY CHAMPION

Standing up for honesty and integrity, and ensuring that the voices of Kilgrimol residents are heard in Council

WINDFARM CABLE ROUTE CHANGE

Fighting for a better cable route to protect Fylde's homes, businesses, farmland and green spaces

STOP THE SEWAGE DUMPING

Campaigning against the disgusting dumping of raw sewage into our sea and rivers

Liberal Democrats work hard all year round for your priorities

WINDFARM CABLE ROUTE

Kilgrimol residents are increasingly concerned about the impact of the windfarm cabling route

Christine Marshall talks about her concerns about the proposed Windfarm Cable route:

“Did you know that the plans for the offshore windfarm would hugely affect Kilgrimol ward?

The plans are well developed and are about to go to the Planning Inspectorate, and are believed to include a proposal for a Cable route straight through St. Anne’s and across rural Fylde.

“I am working with others to put forward an alternative route that will not impact our homes and cut across our beautiful Fylde countryside.

“Opposition to the proposed route is building and residents are getting involved.

“We are not against 'green' energy but the best route for the cabling needs to be found- not just the cheapest.

“You can be assured I will fight on behalf of Kilgrimol residents against the current proposals”

We all want the wind farm to progress, but we need an alternative cable route

We need to stop the disgusting dumping of raw sewage into our sea

Open Sewer

Christine Marshall will fight against the discharge of raw sewage into our sea and rivers:

“We are lucky to live near this beautiful coast with miles of open space to enjoy, but our natural world needs protection from those who put profit before people.

“Many residents volunteer hours and hours of their own time keeping our beach clean of rubbish, only for raw sewage to be washed up on our beach by the incoming tide.

“This is not just a health hazard, but a major issue for a seaside tourist town.

“It should be a high priority for all elected councillors. It will certainly be mine!”

PROTECT PENSIONERS FROM WINTER FUEL CUT

With energy bills set to rise once again this winter, the Lib Dems are calling on the Government to reverse its decision to cut Winter Fuel Payments for pensioners.

Across the country 11 million pensioners are set to lose their winter fuel payment under the Governments plans.

This includes 2 million pensioners that the charity Age UK has said will struggle to afford their bills as a result.

In the constituency of Fylde this would be an estimated 23,838 pensioners at risk of losing the £300 payment which helps with heating bills this winter.

Christine Marshall, the Liberal Democrat candidate for Kilgrimol, said

“I’ve heard from countless pensioners worried about losing this vital support.

“Stripping support from many of the poorest pensioners in Fylde just when energy bills are about to rise again is simply wrong.”

The Liberal Democrats are urging the Government to think again to protect poorer and more vulnerable pensioners from being forced to choose between eating and heating this winter.

It’s so close in KILGRIMOL!

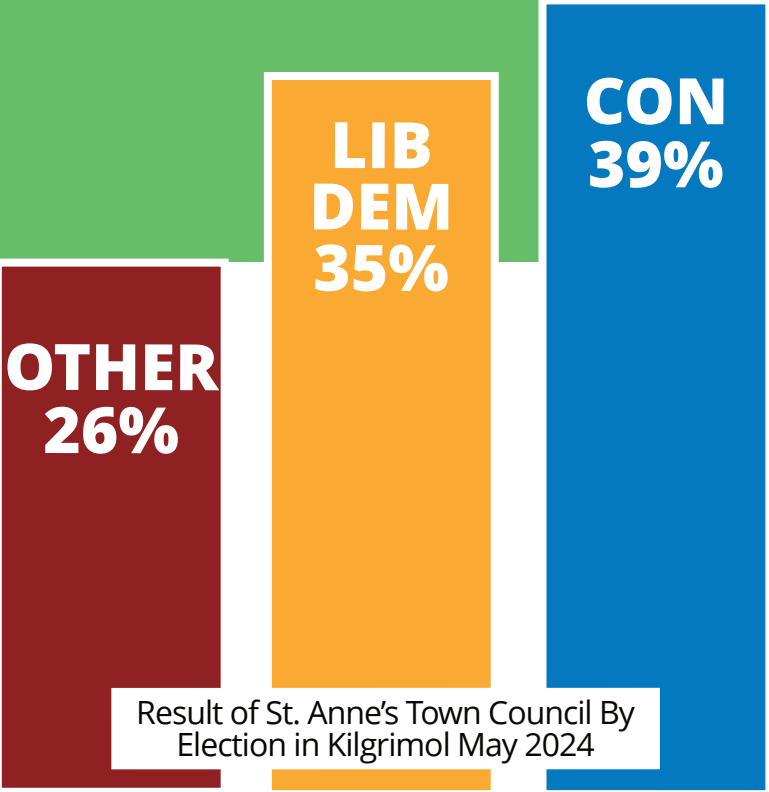

Kilgrimol is currently represented by Conservatives on the Town Council, a Conservative on Fylde Borough Council, a Conservative on Lancashire County Council, and a Conservative MP.

The bar chart opposite shows the outcome of the Town Council By-Election in May this year, and it’s very clear that a majority of people in Kilgrimol do not vote Conservative.

But the Conservatives have a strangle hold on this area, and especially in Fylde Borough Council where every Council Committee has a Chair who is a Conservative.

That just doesn't sound right does it?

By voting for Chris MARSHALL as your local community champion, you can help break the Conservative’s grip on Kilgrimol, and bring an alternative viewpoint to Fylde Borough Council.
